NOTICE TO THE MARKET

FEDERAL TAX (PIS) CREDIT

FERTILIZANTES HERINGER S.A. – UNDER JUDICIAL RECOVERY ("Company" or "Heringer") informs its shareholders and the market in general that the Company is entitled to a refund in reference to the federal PIS tax, calculated non-cumulative, related to the second, third and fourth quarters of 2010.

The refund for these credits was requested to the Brazilian Federal Revenue Service in 2014 and, after the its expiration in a period of one year, a security mandate was filed in order to determine the assessment of this request.

The Company obtained a favorable decision by lower courts, and the Brazilian Federal Revenue Service already recognized, expressly and definitively, the Company's right to receive a refund of part of the amount requested.

On April 27, 2020, the Company received a reimbursement payment of R\$4.2 million from the Federal Government. The remaining balance is undergoing administrative proceedings due to the disagreements on the amount due between the Company and the Brazilian Federal Revenue Service office in Vitória/ES.

Viana/ES, April 27, 2020.
